

East Asian Studies | BEYOND COLUMBIA

Studying East Asian Studies prepares me to . . .

Think historically about current global challenges through the lens of East Asian history

Leverage in-depth knowledge of China, Japan, Korea, or Tibet

Analyze ideas and texts in cultural, philosophical, historical, or sociopolitical context

Conduct research using primary and secondary sources

Evaluate sources and the quality of information

Communicate at an advanced level in an East Asian language

Write clear, organized, and persuasive texts

Employ evidence to support or refute an argument

Synthesize information into a coherent structure

Understand and translate across cultures and perspectives
