

Studying History prepares me to . . .

Conduct primary and secondary-source research

Find and evaluate sources, both qualitative and quantitative

Analyze complex concepts and situations

Employ evidence to support or refute an argument

Synthesize information from traditional and electronic sources

Write clear, organized, and persuasive texts

Clearly explain and present ideas and information orally

Command detailed knowledge of a well-defined area of historical study

Think historically and critically, reflecting on the context, causes, and significance of past events

Understand and translate across different cultures and perspectives

Carefully document and cite sources
