

The Arts | BEYOND COLUMBIA

Studying the Arts prepares me to . . .

Analyze and interpret visual and multi-modal information

Evaluate and critique works of art and theory in their aesthetic, historical, sociopolitical contexts

Apply interdisciplinary and historical research methods to the study of art

Develop creative approaches to otherwise conventional problems

Execute creative projects, from conception to finished product

Communicate complex ideas orally and in writing

Deliver independent work with minimal supervision

Articulate the process and intention behind a project

Engage with polemics within contemporary art or performance

Collaborate with other artists
